Daegu Middle High School

From the Principal's Desk!

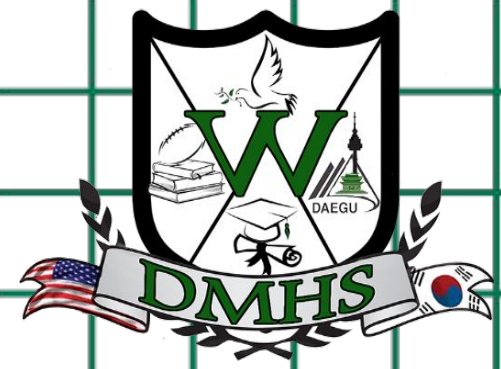

Dear Wonderful Warrior Nation,

HAPPY VALENTINES DAY!!! We hope our students see how much they are loved and appreciated at DMHS. It's always a great day to be a Warrior!!

This week, our 8-12th grade Warriors participated in our 'Course Selection Fair' event focusing on learning about, selecting, and enrolling in a "course of rigor" (specifically related to AP, CTE, and Dual Enrollment courses) for the upcoming 25-26 school year. This was an amazing opportunity put together by our faculty to showcase the options and opportunities available to our DMHS students. We appreciate all parents who attended and want to share with those who couldn't come what was presented to our students (shared in an email home). We asked our students to select rigorous courses they were interested in taking next year and then bring the selection form home to discuss and sign with parents. We are requesting all student course interest sheets be returned by Friday, 21 FEB 2025 to the front office. This will better help us plan and prepare our master schedule for next year. If you have any questions, please don't hesitate to reach out and ask.

As always, thanks for your continued support and have a great Presidents Day weekend! GO WARRIORS!!

Do not send your child to school if he or she is ill. Staying home to get the proper rest, nutrition, and parental care is for your child's benefit as well as for the benefit of the other children in the school who may be unnecessarily exposed to a contagious illness.

The following are examples of when a student should remain home:

- A temperature greater than or equal to 100 degrees Fahrenheit (37.8C). The student must be fever-free without the use of fever-reducing medication for 24 hours (a complete school day) before returning to school.
- Vomiting or has diarrhea (no further vomiting or diarrhea / flu like symptoms for 24hrs before returning to school activity)
- An illness which presents with contagious or flu-like symptoms.
- Severe uncontrolled coughing, or wheezing, rapid or difficult breathing, and coughing with congestion lasting longer than five to seven days.

If your child becomes ill during the school day, the school nurse will contact you to pick up your child. To return to school, your child must be without symptoms for 24 hours and fever-free without fever-reducing medications for at least 24 hours.

Thanks!
