March 27, 2025

Daegu Middle High School

# From the Principal's Desk!

Dear Wonderful Warrior Nation,

As we reach the end of Quarter 3, Dr. Kelly and I want to take a moment to celebrate the hard work and achievements of our students, staff, and community. We are incredibly proud of our students, teachers, supportive families, and awesome Garrison partners. Everyone's dedication and perseverance have made this quarter a huge success, and we are incredibly proud of all that has been accomplished together.

As we embark on Spring Break '25, we hope each of you takes this opportunity to relax, recharge, rejuvenate, and create wonderful memories with family and friends. This break is well-deserved by all and we encourage everyone to enjoy it to the fullest.

Looking ahead, we are filled with deep optimism for Quarter 4 and confident we will continue to build on our successes making this final quarter of the school year even better. Let's return with renewed energy, enthusiasm, and commitment ready to tackle new challenges and achieve even greater heights.

DMHS looks forward to welcoming our Warriors back into the building on Monday, APR 7<sup>th</sup> as we start our month-long celebration of 'Month of the Military Child'. Thanks for all you do and have a happy, safe, and memory-filled spring break.

On the ROAD TO GREATNESS-together! Go Warriors!!

## ADMINISTERING OVER-THE-COUNTER MEDICATION AT SCHOOL

**When medication must be administered during the school day, it must be delivered to the school nurse in the original container and properly labeled by the pharmacy or primary care manager/provider, stating the name of the student, the medication, dosage, route, time of administration, and current date of issue.** Contact the school nurse for the required Medication Consent Form. This form must be filled out and signed by the prescribing state licensed medical provider and also signed by the sponsor/parent/guardian. The sponsor/parent/guardian needs to bring the signed form and the medication to the school nurse. If the school nurse is not present, the signed form and medication must be presented to the school principal, acting principal, or health aide for safekeeping. It is acceptable for parents to bring in self-purchased over-the-counter medication to be kept in the health office for their child's use at school, but the medication must be accompanied by a physician's prescription and signed parental consent form. Thanks!

Reminder

School Agendas were given to each student the first week of school. These are a requirement this year. If a student loses their agenda, they will need to pay \$5 to replace it. The office will issue a new agenda once the \$5 is received. We appreciate your support with this requirement.

# WE TAKE STUDENT SAFETY SERIOUSLY AT DMHS...

Here are our 'Standard Response Protocols' we use in DoDEA to keep your child safe. We practice regularly to remain prepared. Of course, we'll always be in communication with you! Thanks for your support.
